Dear Sir:

We would like to acknowledge receipt of your letter of March 11, along with your suggestions for changes in the form of our bi-monthly progress reports on Contract RD-122.

You will be pleased to know that these suggestions have been adopted and that we have revised the format of our progress report. A copy of the most recent report compiled in the revised form is attached.

We would appreciate your comments on this report and would like to know your feeling concerning its adequacy for the project it represents and for its compliance with the applicable specifications.

You will note that it includes as Appendix I the names of the engineers working on this job and the hours expended in pursuit of the work required.

Yours very truly,

25X1

Vice President
